

I Will Wake the Dawn with Praises

#143 PHSS

1

Dawn and sunset, fierce and joyful,
Each reflect His mighty ways.
With the sea and sky before me,
I will give Him all my praise.

Chorus:

I will surely wake the dawn with praises!
I will surely speak His name abroad.
I will worship Him forever,
He my Lord, my only God.

2

Stars will joy in praises from me;
"Lesser light" will know my voice,
When I give my God His glory,
Night will hear me and rejoice.

3

Shout His glory, brothers, sisters;
Laud His name and do His will.
Like the sands upon the shoreline
Are the praises due Him still.

Yo despertaré al alba

Manifiestan Su poder.
Frente_al mar y a los cielos,
Con mi todo,_alabaré.

Yo (Con fervor) Su nombre_alabaré.
Yo lo_adoro para siempre,
Mi_único Dios y mi Rey.

Oigan, astros, mi_alabanza;
"Luz menor", me_escucharás,
Cuando_a Dios le doy su gloria,
Noche, te alegrarás.

Siervos fieles, adorad.
Como_arena_en la orilla
Alabanzas hay que_alzar.
