

The Rock of My Heart
SHS 11

1

My Lord, I need nothing beside You;
Without You, I could not have stood.
Your promise is my hope, and my refuge;
Your nearness my strength and my good.

Chorus:

My heart may be broken within me;
My earthly strength may depart.
But You are my portion forever,
You are the Rock of my heart.
You are the Rock of my heart.

2

When I was distressed and embittered
by things I could not understand,
Your presence was continually with me,
You always took hold of my hand.

3

I know that Your counsel will guide me
in wisdom, devotion, and love,
And afterward You'll call me to glory
to dwell in Your presence above.

Mas Tú_eres mi_herencia siempre, la

Tan torpe_era yo ante Ti.

Contigo_a vivir, mi Señor.
